## **Cooking class**

Villa Montecatini  
awaits you to experience cooking together.

That's how we like to call it  
because it doesn't aim to be a lesson,  
but an opportunity to spend enjoyable moments  
and learn more about the cuisine and products  
of our area and Tuscany.

You will have the chance to prepare traditional dishes  
with Chef Stefano, that you will then enjoy for lunch,  
perhaps accompanied by a good wine.

The cooking class will take place on Wednesdays  
from May to September, depending on reservations
